Find new cross platform opportunities

Defense & Aerospace
SUPPLY CHAIN PARTNER

Spare parts intelligence for all military equipment.

The Defense Logistics Management System (DLMS®) is a proprietary database of over 125 million part numbers and 12,000 certified suppliers. The DLMS utilizes supply chain analytics to provide comprehensive solutions for complex and diverse bill of material requirements, creating efficient and reliable supply chains.

ISO Group utilizes the DLMS to support our partnerships with Prime Contractors, Manufacturers, Suppliers, and Government Direct.

Supply Chain Solutions. Any Platform. Anywhere
